Mahaboobnagar and others.

RESPONDENTS

ORAL ORDER :

-

The writ petition is filed alleging that the respondents 2 to 4 are interfering with the civil disputes and insisting on the petitioners to execute a sale deed in respect of their lands.

The Superintendent of Police, Mahaboobnagar – the 1st respondent, has filed a counter affidavit stating that he has caused an enquiry into the allegations made in the writ petition and received a report from the Sub Divisional Police Officer – the enquiry officer, that the allegations are wholly incorrect; that the petitioners have executed an unregistered agreement of sale in favour of certain persons in respect of their lands and refused to execute the sale deed and that this led to certain bad blood between the petitioners and the persons in whose favour the agreement of sale has been executed and that as the matter is essentially civil in nature, respondents 2 to 4 have not interfered and that the petitioners apprehending that their conduct in reneging on an agreement of sale may invite the police in an investigation, have filed this writ petition to forestall any action by the police.

The averments in the counter affidavit have not been rebutted by the writ petitioners.

In the above circumstances no case is made out to interfere in this writ petition. The writ petition is accordingly dismissed. No costs.
